Other:

Are you applying for a scholarship? \*

No, I will pay the standard registration fee \$475. Please email me the registration link.

Yes, I am a full-time student

Yes, I am not able to pay the full fee.

We only have a limited number of scholarships available. If you can't pay the full fee, please explain why you might qualify for one of our scholarships.

What are you looking forward to doing in the Alameda Creek Alliance California Naturalist course? \*

I read and understand the following (Yes or no)

Alameda Creek Alliance will make reasonable accommodations for persons with documented disabilities. If I have learning or physical needs that will require special accommodations in this class, I will need to notify the instructor in writing of my accommodation needs. I will notify at least 30 days prior to the first class if I require any special accommodations. This will allow our organization ample opportunity to provide suitable accommodations. Because of the geography of the natural areas that course participants will be visiting, not all sites will be fully accessible or ADA compliant.
